A single-story unit located in a building conveniently positioned next to the stairwell. This space features 2 bedrooms, 2 bathrooms, and a designated laundry room. The interior boasts updated lighting fixtures, sleek laminate flooring, and a tasteful neutral color palette. An expansive patio/balcony extends from the primary bedroom, providing a personal outdoor retreat. The kitchen seamlessly integrates with the living area, fostering an open and cohesive environment. For parking, there are two allocated spots in the underground covered parking. The location is ideal, being in close proximity to Santa Ana's historic downtown district, shopping centers, and easy highway access.
